The diagram illustrates a check form layout. On the left, there are several rectangular boxes for text entry: 'A328752832 B', 'CHECK NUMBER', 'SERIES F', 'COMPANY CODE 17414', 'COUNTER CODE 9000', 'ACCOUNT No. 042345678910', 'CHECK No. 123428', and 'Date .../.../...'. Below these is a row of five boxes containing the numbers '01 48 48 48 48'. A vertical dashed line separates the text fields from the numeric keypad on the right. The keypad consists of three vertical columns of boxes, each containing digits 0 through 9. A curved arrow labeled '6' points to the top of the middle column. Below the keypad is a horizontal row of five boxes containing the numbers '1 2 3 4 5'. At the bottom, four labels '10', '12', '11', and '8' are positioned with curved lines pointing to the bottom edge of the form.
